### Position purpose

To assist in the organisation and implementation of physiotherapy care for patients within the specific work area.

To fulfil non-clinical responsibilities (including department and equipment upkeep and cleaning) associated with the efficient operation of the physiotherapy department.

### About the Department

The Physiotherapy Department comprises about 90 EFT staff at Austin Hospital and Heidelberg Repatriation Hospital and the Royal Talbot Rehabilitation Centre. It provides seven days per week, 12 hours per day services to acute and aged care areas. It is a major clinical school for the University of Melbourne with responsibility for about 180 students from 1st through to 3rd year.

The Physiotherapy Assistant may rotate through all campuses working under the direction of physiotherapists to perform tasks including hydrotherapy, gym classes, individual treatment sessions, administration, and general activities

## Position responsibilities

### Role Specific:

- To perform or assist in physiotherapy activities, as instructed by the physiotherapist including performing exercises, moving, transferring and ambulation of patients
- Independently provide clinical care to patients within a safe and appropriate framework as determined by the instructing physiotherapist.
- Set up equipment and store it away at the end of treatment sessions.
- Assist with maintaining a safe, clean, and tidy treatment area.
- Change linen as appropriate.
- Document patient treatment attendances on computer and/or in patient's medical record in line with Austin Health medical record policies.
- Monitor equipment supplies and re-order as required.

### Training and development

- On commencement: participate in the Austin Health, department and unit orientation programs. Participate in department and sub-department in-services.
- Participate in other continuing education activities as appropriate.
- Appropriately utilize other staff and available resources to facilitate self-learning.

## Selection criteria

### Essential skills and experience:

- Suitable qualification Certificate III or equivalent.
- Good verbal and written communication skills.
- Good interpersonal skills.
- Good organisational skills.
- Demonstrate initiative, problem solving skills and flexibility.
- Effective time management skills.
- Computer skills.
- A commitment to Austin Health values: Our actions show we care, we bring out best, together we achieve, and we shape our future.
- Current driver's license.

### Desirable but not essential:

- Previous experience working with Physiotherapists in acute and sub-acute as an Allied Health Assistant (Physio),
