Austin Health acknowledges the Traditional Custodians of the land on which we operate, the Wurundjeri Woi Wurrung People of the Kulin Nation. We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Position purpose

The primary objective of this role is to provide professional, customer-focused, and efficient administration functions within the Austin Health Emergency Department, to enhance patient care and service delivery.

The administration team deliver customer focused service to patients, families, and visitors. The team also support the nursing and medical staff in the department.

The emergency department administrator works as part of a supportive team, meeting the accountability requirements of the Department of Health and participates in the department's performance management program.

The emergency department administrator works across several areas within the department including triage, ambulance registration and our short stay units.

About the Directorate/Division/Department

The Department of Emergency Medicine operates Victoria's busiest Emergency department, with over 89,000 patient presentations annually. This number of presentations provides challenges, but also opportunities. Our staff are dedicated, hard-working and, most importantly, form a great team. Their commitment to providing safe, timely and effective care for all patients is something we take great pride in.

We operate a Short Stay Unit comprising 24 beds providing care for adults and children for up to 24 hours. The unit admits approximately 60 patients a day and is staffed by a multidisciplinary team.

The ED Administration team is the only 24/7 administrative support within the organisation and as such, provides supportive functions to other services including inpatient ward admissions, transfers, and discharges.

Position responsibilities

- Answer all enquiries – both face to face and via telephone.
- Registration of patients into Trak care (patient administration system) as per hospital policy and DOH requirements.
- Place wrist band on patients directly after registration.
- Process direct admissions after hours
- Source diagnostic testing.
- Booking and coordination of transport bookings for entitled patients.
- Work within a team environment through liaison with all members of the Emergency Department health care team.
- Source diagnostic testing and prepare patient files, x-rays and diagnostic results as required.
- Process of patient admissions (public and private).
- Process of patient movements and discharges.
- Signing of all private and public patients appropriately in relation to insurance cover
- Scanning of documentation directly into patients SMR
- Collection and reconciliation of payments related to ED activity.
- Issuing vouchers, and collection of patient validity.
- Monitor emergency department email box.
- Monitoring and resending failed GP discharge summaries.
- Greet patients and visitors at reception.

General:

- Work within a 24/7 rostered shift environment to meet department needs. This includes working day, afternoon, night, and weekend shifts.
- Identify special needs including the determination of levels of English proficiency and provision of interpreters for patients of non-English speaking backgrounds.
- Participation in all relevant department meetings and clerical team huddles
- Participation in the training requirements of the department
- Participate in the performance management program,
- Participate in quality activities and initiatives.
- Ensure administration tasks and duties are completed with the DOH and Austin Health's KPI indicator targets.

General information

Cultural safety

Austin Health is committed to cultural safety and health equity for Aboriginal and/or Torres Strait Islander People. We recognise cultural safety as the positive recognition and celebration of cultures. It is more than just the absence of racism or discrimination, and more than cultural awareness and cultural sensitivity. It empowers people and enables them to contribute and feel safe to be themselves.

Equal Opportunity Employer

We celebrate, value, and include people of all backgrounds, genders, identities, cultures, bodies, and abilities. We welcome and support applications from talented people identifying as Aboriginal and/or Torres Strait Islander, people with disability, neurodiverse people, LGBTQIA+ and people of all ages and cultures.

Austin Health is a child safe environment

We are committed to the safety and wellbeing of children and young people. We want children to be safe, happy and empowered. Austin Health has zero tolerance for any form of child abuse and commits to protect children. We take allegations of abuse and neglect seriously and will make every effort to mitigate and respond to risk in line with hospital policy and procedures.
