Business unit/department:	Allied Health / Podiatry
Work location:	Austin Hospital <input checked="" type="checkbox"/> Heidelberg Repatriation Hospital <input checked="" type="checkbox"/> Royal Talbot Rehabilitation Centre <input checked="" type="checkbox"/> Other <input type="checkbox"/> (please specify)
Agreement:	Allied Health Professionals (Victorian Public Health Sector) Single Interest Enterprise Agreement 2021-2026
Employment type:	Full-Time
Hours per week:	40 with ADO
Reports to:	Grade 2, Grade 3 Senior Podiatrist & Podiatry Manager
Direct reports:	AHA
Financial management:	Nil
Date:	1.9.2025

Position purpose

The Grade 1 Podiatrist will work within a range of settings across Austin Health providing safe and effective evidence based clinical care to patients, their families and carers. Podiatry delivers clinical services to Inpatient and Ambulatory settings including the multi-disciplinary High Risk Foot Service. The Podiatrist will be flexible in the delivery of services and adapt to changing health care demands.

This position will provide assessment, management and education to patients and their family, carers with acute and chronic foot ulceration, charcots neuropathy and other related conditions that places patients at risk of hospital admission, clinical deterioration and amputation. The Podiatrist will be required to work collaboratively within multidisciplinary teams and with our community partners for positive patient outcomes.

They will have opportunities to participate in departmental research and quality improvement projects. They will be supported to develop their clinical skills and professional development through participation in clinical supervision.

About the Directorate/Division/Department

This position is based within Austin Health's Podiatry Department. This department forms part of the Division of Allied Health, which comprises the following services:

- Allied Health therapies: Physiotherapy, Social Work, Speech Pathology, Occupational Therapy, Nutrition and Dietetics, Orthotics & Prosthetics, Podiatry, Clinical and Neuropsychology (Royal Talbot site) and Creative and Leisure Services
- Tracheostomy Review and Management Service
- Spiritual Care
- Language Services
- Ngarra Jarra (Aboriginal Health) Program
- Disability liaison Officers (DLO)

The Podiatry department is committed to promoting the highest levels of Podiatric service for our patients. In realising this goal, the department will lead and excel in research, teaching and the use of person centred evidence-based practice.

The Department provides services on all three campuses of Austin Health, across all Divisions. The department provides care across the continuum from the Emergency Department through bed based services and ongoing ambulatory care.

The clinician employed in this position is expected to travel across campus as required, and adopt a flexible approach to clinical caseload management and the provision of care during periods of planned and unplanned leave.

There are currently 3 streams that make up the Podiatry department and these are:

Acute Care- Inpatient program

Aged care & Rehabilitation- Inpatient programs

Outpatient- High Risk foot Service, Chronic Wound Service and Podiatry Outpatients

These streams are led by a Podiatry Manger, HRFS Clinical Coordinator and Grade 3 Podiatrist.

The department is focused on developing the professional body of knowledge and practice of staff (which is evidence based) in a range of areas to ensure high quality service provision. This is achieved through staff participating in ongoing training and professional development, professional supervision and performance review, research, quality improvement activities and undergraduate and / or post-graduate student teaching. The department has a continuing education, student and quality improvement strategy which is developed and operationalised through senior leadership forums and committees.
