<b>Employment type:</b>	Fixed-Term Full-Time
<b>Hours per week:</b>	38
<b>Reports to:</b>	A/Prof Natalie Yang (Medical Director) Dr. Gregory Fitt (Neuroradiologist), Dr. Yuliya Perchyonok (Neuroradiologist and co-director of Fellowship training), Dr Kelvin Lim (co-director of Fellowship training)
<b>Direct reports:</b>	Nil
<b>Financial management:</b>	Budget: Nil
<b>Date:</b>	December 2025

### Position purpose

To become proficient at all aspects of diagnostic neuroradiology, including understanding imaging guidelines, protocols, precautions, and reporting of imaging studies. To present at multidisciplinary team meetings with consultant supervision.

Reflecting the referral patterns and clinical focus at the Austin, the fellowship is particularly focused on acute stroke, tumor, neuro-immunology, neurovascular, epilepsy and spinal imaging.

A separate neurointerventional training program is offered.

Teaching of registrars, resident staff and medical students will be required. Participation in both clinical audit and research is expected & required.

Rostering is modality based, with exposure to MR, CT, US and ED radiology, as well as sessions at the outpatient facility, the Repatriation General Hospital. There is an on-call requirement, which includes after hours and weekend general and emergency cover.

## About the Directorate/Division/Department

Austin Health has three campuses, the Austin Campus, the Repatriation Campus and the Royal Talbot Rehabilitation Centre. Radiology services are provided by the Department of Radiology for both the Austin and Repat sites.

The main Department of Radiology is located on Levels 1 and 2 of the Lance Townsend Building, Austin Hospital. The Department comprises 18 diagnostic Staff Radiologists, 11 Interventional Radiologists including 4 neurointerventional radiologists, 5 Visiting Radiologists and 25 Radiology Registrars/Fellows.

The Austin Hospital Radiology department includes 3 MRI machines, 2 CT, 3 angiography suites, 1 fluoroscopy suite and 6 Ultrasound units.

The Heidelberg Repatriation Hospital Radiology Dept provides mostly outpatient services. It consists of 2 CT machines, fluoroscopy, mammography and 4 Ultrasound rooms.

Most radiology sub-specialities, with the exception of obstetrics and paediatrics are provided. Surgical specialities at the Austin include thoracics, cardiac, neurosurgery, hepatobiliary, orthopaedic, ENT, ophthalmology and vascular. The Austin is a statewide referral centre for liver transplantation and spinal injuries. The hospital has a large Neurology Department, with particular expertise in Epilepsy, Stroke and Neuroimmunology.

The Austin is co-located with the Mercy Hospital for Women and whilst the Radiology Departments are separate, they have close ties. Austin Radiology provides CT, MRI and Interventional radiology services for patients of Mercy Hospital for Women.

## Equipment

3 MRI machines - 1 x 3T Siemens Vida Fit, 3T Siemens Skyra and 1 x 1.5T Siemens Sona

3 CT machines - 1 x Canon Aquilion Prism, 1 x Siemens Force, 1 x GE Revolution Apex, 1 x GE Evo

12 Ultrasound machines - 6 x Canon TUS AI800, 3 x Phillips Epiq 5, 1 x Philips Epiq 7, 2 x Philips Affinity

3 Angiography suites - 2 x Biplane Angiography systems (1 x Philips Azurion and 1 x Siemens Artis Icono), and 1 x Single plane Angiography system (Siemens Artis Q)

Our actions  
show we care

We bring  
our best

Together  
we achieve

We shape  
the future

2 Fluoroscopy systems – 1 x Siemens artis Zee MP, and 1 x Siemens Luminos dRF.

2 Mammography machines – 1 x Hologic Selenia Dimension, and 1 x Siemens Mammomat Inspiration

### **Workload**

Approximately 190,000 examinations per year, comprising 90,000 X-rays, 15,000 MRI, 20,000 ultrasounds, 45,000 CT and 6,000 interventional and fluoroscopy cases.

## **Position responsibilities**

## General information

### Cultural safety

Austin Health is committed to cultural safety and health equity for Aboriginal and/or Torres Strait Islander People. We recognise cultural safety as the positive recognition and celebration of cultures. It is more than just the absence of racism or discrimination, and more than cultural awareness and cultural sensitivity. It empowers people and enables them to contribute and feel safe to be themselves.

### Equal Opportunity Employer

We celebrate, value, and include people of all backgrounds, genders, identities, cultures, bodies, and abilities. We welcome and support applications from talented people identifying as Aboriginal and/or Torres Strait Islander, people with disability, neurodiverse people, LGBTQIA+ and people of all ages and cultures.

### Austin Health is a child safe environment

We are committed to the safety and wellbeing of children and young people. We want children to be safe, happy and empowered. Austin Health has zero tolerance for any form of child abuse and commits to protect children. We take allegations of abuse and neglect seriously and will make every effort to mitigate and respond to risk in line with hospital policy and procedures.

Our actions  
show we care

We bring  
our best

Together  
we achieve

We shape  
the future
