Austin Health acknowledges the Traditional Custodians of the land on which Austin Health operates, the Wurundjeri Woi Wurrung People of the Kulin Nation. We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Position purpose

Perform the duties of the position efficiently, according to the standards of the Unit including participating in the Austin Health performance appraisal program. Duties will include elective and emergency operating and consulting, routine and special Ward rounds, clinical meetings, supervision and teaching of resident staff and administrative duties related to routine clinical duties.

The Director of Brian F. Buxton Cardiac and Thoracic Aortic Surgery Unit and the Director of Thoracic Surgery, within the general scope of the terms of the appointment, may allocate specific duties. Every endeavor will be made to ensure that such duties are allocated on a fair and equitable basis.

About the Directorate/Division/Department

BRIAN F. BUXTON CARDIAC AND THORACIC AORTIC SURGERY UNIT:

The Brian F. Buxton Cardiac and Thoracic Aortic Surgery Unit, as part of SAPM (Surgery, Anesthesia and Procedural Medicine), is responsible for the provision of services within the specialty to patients across Austin Health. The Acting Director of the Department is Mr Nick Roubos. A/Prof George Matalanis is responsible for the comprehensive Thoracic Aortic Surgery Program and is acknowledged as a world-renowned authority in all facets of thoracic aortic surgery.

The unit provides a sophisticated multi-disciplinary aortic surgery management meeting with participation of vascular surgeons and interventional radiologists. Opportunities exist for participation in endovascular procedures.

The Brian F. Buxton Cardiac and Thoracic Aortic Surgery Unit performs all types of adult cardiac surgery procedures, including complex valve repair procedures and management of tumours involving the heart.

Located at the Austin Hospital Campus, the Unit is committed to the provision of high-quality patient care and maintains an ongoing commitment to Undergraduate and Post Graduate teaching. Extensive unit based and collaborative research projects are undertaken within the department as well as part of multi-centre research initiatives. Also provided is a consultative service for other Units within Austin Health.

THORACIC SURGERY DEPARTMENT:

The Thoracic Surgery Unit, as part of SAPM (Surgery, Anesthesia and Procedural Medicine), is responsible for the provision of services within the specialty to patients across Austin Health.

Located at the Austin site, the Unit is committed to the provision of high quality patient care and maintains an ongoing commitment to Under Graduate and Post Graduate teaching. Also provided is a consultative service for other Units within Austin Health. Basic and Clinical Research is encouraged.

The unit provides a full range of thoracic surgical services with the exception of lung transplant services. Specialized areas of interest are laser bronchoscopy and oesophagoscopy, stenting of the tracheo-bronchial oesophageal systems and thoracic robotic surgery. The Director of Thoracic Surgery is Mr Simon Knight.

Position responsibilities

General information

Cultural safety

Austin Health is committed to cultural safety and health equity for Aboriginal and/or Torres Strait Islander People. We recognise cultural safety as the positive recognition and celebration of cultures. It is more than just the absence of racism or discrimination, and more than cultural awareness and cultural sensitivity. It empowers people and enables them to contribute and feel safe to be themselves.

Equal Opportunity Employer

We celebrate, value, and include people of all backgrounds, genders, identities, cultures, bodies, and abilities. We welcome and support applications from talented people identifying as Aboriginal and/or Torres Strait Islander, people with disability, neurodiverse people, LGBTQIA+ and people of all ages and cultures.

Austin Health is a child safe environment

We are committed to the safety and wellbeing of children and young people. We want children to be safe, happy and empowered. Austin Health has zero tolerance for any form of child abuse and commits to protect children. We take allegations of abuse and neglect seriously and will make every effort to mitigate and respond to risk in line with hospital policy and procedures.
