Austin Health acknowledges the Traditional Custodians of the land on which we operate, the Wurundjeri Woi Wurrung People of the Kulin Nation. We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples.

### Position purpose

Reporting to the Chief Strategy, Sustainability and Engagement Officer, this role is responsible for both overseeing strategy development and implementation to ensure Austin Health is well positioned to meet the needs of its patients and workforce.

You will work closely with Austin Health’s executive team, Board of Directors and senior stakeholders to develop strategic goals and implement Austin Health’s strategic plan, enabling strategies and other related strategic initiatives by providing leadership, coordination and implementation support.

### About the Directorate/Division/Department

The Strategy, Sustainability and Engagement Directorate brings together the teams that shape Austin Health’s long-term direction and ensure we deliver sustainable, high-quality care for our community. The directorate includes Service Improvement and Innovation, Strategy and Service Planning, Integrated Programs, GP Liaison, the Austin Health Foundation, and Corporate Communications.

Together, these teams drive organisational strategy, foster innovation, strengthen partnerships, support integrated models of care, enhance community and philanthropic engagement, and ensure clear, consistent communication about and across the organisation.

## Position responsibilities

In collaboration with Executive leaders, business owners and initiative leads:

- Lead and coordinate the implementation of Austin Health's Strategic Plan
- Conduct regular reviews to monitor progress and ensure the organisation's strategic goals and objectives remain relevant in a changing environment
- Oversee strategic initiatives from concept design to delivery
- Provide high-quality, evidence based insights to inform strategic decision making
- Build trust and confidence amongst the board, executives, clinicians and other organisational leaders and facilitate cross-organisation collaboration
- Apply governance, including defining program structures, roles and responsibilities, ensuring accountability for outcomes.
- Develop and deliver comprehensive communication and engagement strategies to accompany implementation of strategic initiatives
- Support the monitoring of progress and results of strategic initiatives as well as lead and contribute to reporting to stakeholders, including the Executive and Board.
- Identify and manage risk and emerging issues and escalate through reporting lines.
- In liaison with Directorates and key stakeholders, identify opportunities to improve services and organisational performance

## Selection criteria

### Essential skills and experience:

- Demonstrated adaptive leadership capability including experience operating with broad scope in environments of complexity and uncertainty.
- Demonstrated ability to think strategically and systemically, anticipating future challenges and opportunities.
- Proven capacity to influence, align to common goals and effectively negotiate at all levels,
- A record of achievement in delivering stated performance objectives.
- Experience leading design and delivery of strategic initiatives
- Specialised knowledge or extensive experience in health service management across a variety of disciplines.
- Knowledge of contemporary health services and service delivery objectives.
- Extensive experience leading and delivering complex strategies, projects and business plans.
- Experience developing and leading communications and engagement strategies that ensure clear and timely communication and meaningful engagement in complex stakeholder environments.
- Proven flexible and collaborative working style.
- Strong research and analytical skills in interpreting service needs, local conditions and achievability of results.
- Engaging and compelling communication style.
- Ability to work autonomously and operate with credibility and authority in different settings.

Our actions  
show we care

We bring  
our best

Together  
we achieve

We shape  
the future

- Highly organised, with a proactive, problem-solving approach.
- Proficient in Office 365 suite.

#### Desirable but not essential:

- Post graduate qualifications.

### Professional qualifications and registration requirements

- Tertiary qualifications in a health, business, or management discipline.

### Quality, safety and risk – all roles

All Austin Health employees are required to:

- Maintain a safe working environment for yourself, colleagues and members of the public by following organisational safety, quality and risk policies and guidelines.
- Escalate concerns regarding safety, quality and risk to the appropriate staff member, if unable to rectify yourself.
- Promote and participate in the evaluation and continuous improvement processes.
- Comply with the principles of person-centered care.
- Comply with requirements of National Safety and Quality Health Service Standards and other relevant regulatory requirements.

### Other conditions – all roles

All Austin Health employees are required to:

- Adhere to Austin Health's core values: *our actions show we care, we bring our best, together we achieve, and we shape the future.*
- Comply with the Austin Health's Code of Conduct policy, as well as all other policies and procedures (as amended from time to time).
- Comply with all Austin Health mandatory training and continuing professional development requirements.
- Provide proof of immunity to nominated vaccine preventable diseases in accordance with Austin Health's immunisation screening policy.
- Work across multiple sites as per work requirements and/or directed by management.

### General information

#### Cultural safety

Austin Health is committed to cultural safety and health equity for Aboriginal and/or Torres Strait Islander People. We recognise cultural safety as the positive recognition and celebration of cultures. It is more than just the absence of racism or discrimination, and more than cultural awareness and

the future

cultural sensitivity. It empowers people and enables them to contribute and feel safe to be themselves.

### **Equal Opportunity Employer**

We celebrate, value, and include people of all backgrounds, genders, identities, cultures, bodies, and abilities. We welcome and support applications from talented people identifying as Aboriginal and/or Torres Strait Islander, people with disability, neurodiverse people, LGBTQIA+ and people of all ages and cultures.

### **Austin Health is a child safe environment**

We are committed to the safety and wellbeing of children and young people. We want children to be safe, happy and empowered. Austin Health has zero tolerance for any form of child abuse and commits to protect children. We take allegations of abuse and neglect seriously and will make every effort to mitigate and respond to risk in line with hospital policy and procedures.
