Position purpose

Perform the duties of this position efficiently to the standards of the department, including participating in Austin Health performance appraisal program. Patient Service Assistants as part of a Ward/Unit/Department based team will assist in the delivery of patient care services through the competent provision of defined services.

About the Department/Division/Directorate

Austin Health's Nephrology services comprise of an acute unit and 4 metropolitan dialysis units and 4 regional affiliated satellites with the provision of consultation and outreach services.

Central Dialysis Unit (7North Dialysis) provides haemodialysis to Acute Renal Failure (ARF) in-patients in addition to managing complex Chronic ESRF outpatients.

It is a 12-chair facility, plus an isolation room with 3 chairs to accommodate COVID positive patients is located on Level 7 of the Austin Tower, co-located with the renal ward - 7North.

CDU operates Monday to Saturday from 7am to 9.30pm, and providing 24-hour on-call coverage to patients requiring out-of-hour treatment, Sundays, and Public Holidays. Acute and Chronic Plasmapheresis for immunological and neurological conditions is performed within the department. CDU provides a remote dialysis service to patients located on other wards like 8W, CCU, ICU or the Emergency Department.

Admission or transfer is either through Emergency Department, Outpatient Clinic, Satellite Dialysis Units (Epping, Repatriation, Home therapies and North-East Kidney Services) as a direct admission for Haemodialysis, Haemodiafiltration, Isolated Ultrafiltration or Plasma Exchange treatment.

Nephrology Mission: Our commitment is to:

- provide personalised, outcome focused health care and assist patients to manage their health through education.
- promote communication, leadership and a team environment.
- implement standardised policies and procedures by consultation.
- lead the development of evidence-based best practice through re- search.
- encourage professional development by providing educational and research opportunities to all team members.

Position responsibilities

Role Specific:

The role of the PSA involves the performance of a wide range of tasks, which include those set out below. Due to the different service needs of wards and departments the range and types of tasks may vary from area to area.

Quality, safety and risk – all roles

All Austin Health employees are required to:

- Maintain a safe working environment for yourself, colleagues and members of the public by following organisational safety, quality and risk policies and guidelines.
- Escalate concerns regarding safety, quality and risk to the appropriate staff member, if unable to rectify yourself.
- Promote and participate in the evaluation and continuous improvement processes.
- Comply with the principles of person-centered care.
- Comply with requirements of National Safety and Quality Health Service Standards and other relevant regulatory requirements.

Other conditions – all roles

All Austin Health employees are required to:

- Adhere to Austin Health's core values: *our actions show we care, we bring our best, together we achieve, and we shape the future.*
- Comply with the Austin Health's Code of Conduct policy, as well as all other policies and procedures (as amended from time to time).
- Comply with all Austin Health mandatory training and continuing professional development requirements.
- Provide proof of immunity to nominated vaccine preventable diseases in accordance with Austin Health's immunisation screening policy.
- Work across multiple sites as per work requirements and/or directed by management.

General information

Cultural safety

Austin Health is committed to cultural safety and health equity for Aboriginal and/or Torres Strait Islander People. We recognise cultural safety as the positive recognition and celebration of cultures. It is more than just the absence of racism or discrimination, and more than cultural awareness and cultural sensitivity. It empowers people and enables them to contribute and feel safe to be themselves.

Equal Opportunity Employer

We celebrate, value, and include people of all backgrounds, genders, identities, cultures, bodies, and abilities. We welcome and support applications from talented people identifying as Aboriginal and/or Torres Strait Islander, people with disability, neurodiverse people, LGBTQIA+ and people of all ages and cultures.

Austin Health is a child safe environment

We are committed to the safety and wellbeing of children and young people. We want children to be safe, happy and empowered. Austin Health has zero tolerance for any form of child abuse and commits to protect children. We take allegations of abuse and neglect seriously and will make every effort to mitigate and respond to risk in line with hospital policy and procedures.
